

Hardrock Hundred 2016 Lottery Tickets, as of 11/29/15

Here are our preliminary count of Hardrock Lottery tickets, ordered first by lottery and then by name.

We have not yet finished checking everyone's qualifiers, so being on this list does not mean we

have accepted yours. If you think there is an error in the number of tickets you should have,

please email Blake Wood at bpwrlc@comcast.net, **AFTER** you have reviewed our lottery algorithm at

www.hardrock100.com/hardrock-lottery.php - there have been changes this year, and this webpage

has very recently been updated. The biggest misunderstanding is usually that in the Never lottery:

it is the **previous** number of DNS's used, **not** including this year.

There are a small number of applicants who may get add'l service tickets that have not yet been

reflected in these numbers.
